DEFENDANTS HEREBY JOIN the Status Report and Discovery Plan filed by the EEOC.

On January 5, 2009 the parties through their respective counsel conferred and agreed to the dates set forth in the EEOC's plan with the exception of the date for exchange of lay down material. The parties have agreed to exchange that material no later than **Monday, January 12, 2009.**

In brief reply to the pleading filed by the EEOC, the undersigned attempted to reach the attorney for the EEOC at least twice during the interim in order to confer and file a joint statement, at one point being greeted by a voice mail announcement indicating counsel for the EEOC was out of the office for a period of time around the holiday after Christmas. The

undersigned does not fault counsel for the EEOC. However, the material filed by the EEOC is not entirely accurate insofar as it implies the undersigned made no attempt to return any phone call or to confer on this matter.

DATED this 4th day of January, 2009.
